

## **Indoor Artificial Grass Turf: All Sport, Arena Pro, Bermuda, One Putt, Play Ball II, and Velocity Maintenance Instructions**

### **INDOOR USE**

Vacuum the grass like carpeting as you would any other type of carpeting to pick up surface soil.

### **STAIN REMOVAL**

Indoor Artificial Grass Turf is resistant to stains. However, spills do occur, and the resulting stains should be removed as soon as possible. In most cases, they can be removed with either detergent suds or a solvent-based cleaning agent. Follow these recommendations for best results.

### **WATER-BORNE AND MISCELLANEOUS STAINS**

Acid, Alcohol, Animal Urine, Alkali, Blood, Coffee, Tea, Cola, Soot, Chocolate, Dye, Glue, Fruit Juice, Ice Cream, Latex Paint, Milk, Mustard, Rust, Water Colors

### **REMEDY**

Sponge with detergent suds and cold water. This method will be effective even after 24 hours. Note: It is important to use just enough fluid to irrigate solid particles out of fabric. Too much fluid will leave a "ring." Clean from outside of stain in toward center so as not to leave a ring.
