## One Year Warranty

Our dense foam mats have a one year normal limited warranty against manufacturers defects under normal daily use.

If mats are thought to be deteriorating under normal use within the warranty period, please contact our customer service via email to: [service@greatmats.com](mailto:service@greatmats.com) or call toll free: 1-877-822-6622

The customer will be reimbursed for shipping costs incurred relating to shipping defective mats back to Greatmats when the mats are received by Greatmats and determined to be defect merchandise.
