Note: The rate of wear of 3/4" is directly connected to the volume of traffic and use. Any warranty calculations will take this into account.

2. The Warranty only applies provided that the manufacturer receives written notice (mailed to address below) of the defect along with proof of purchase. To claim under the Initial Warranty Period, the receipt of the required information by the manufacturer must be within ten (10) days of the end of the Initial Warranty period.

3. This Warranty applies to materials only and does not include any other cost, such as delivery, installation, removal or labor costs. This warranty is not transferable.
