## 5-Year Limited Fade & Wear Warranty

Foss PET nonwoven, needle-punch fiber, made from 100-percent plastic drinking bottles, is a denser polymer fiber that prevents stains from setting and is resilient to traffic pattern wear. Foss Floors warrants that when our Indoor/Outdoor carpets are properly installed in residential, office, and storefront settings, they will not wear more than 10-percent due to fiber loss under normal use or exhibit ultra violet degradation of the fibers (also referred to as fade) to the carpet as a result of sunlight exposure during the duration of the warranty period.
