

## FEATURES AND BENEFITS

- High performance quality
- Reacts naturally
- Improved durability and safety
- Virtually maintenance free
- Clean and can be cleaned easily
- Consistent performance over time and use

## APPLICATION

This is an excellent landscape product that offers thatch, which provides added body, reducing the amount of infill needed. The four color blend of this surface provides a truly authentic look and feel that resembles a natural lawn. This product can be used for landscapes, pet areas, fringes, and much more. This product can be installed indoors or outdoors on concrete or a compacted aggregate base.
