

SnapLock Dance Floor Tiles Maintenance

Day-to-Day Cleaning:

- Perform sweeping and mopping before and after each event for the best results.
- Any all-purpose cleaner or no-wax kitchen floor cleaner will work.
- A mixture of water with ammonia and water also works well, about a cup of ammonia to a gallon of water.
- Avoid any sharp objects and dragging items on your vinyl flooring!

Recommended Cleaning Products:

- **Daily Cleaner:** [Bona Luxury Vinyl Floor Cleaner](#)
- **Restoring Shine:** [Mop and Glo 3-in-1](#)
- **Scuff Marks:** [Mr. Clean Magic Eraser](#) (ensure to rinse well after use – small spots only**)
- **Sticky Substances:** [Goo Be Gone](#)
