

GREATMATS

Safety Stage Impact Series Removable

PRODUCT SUMMARY

Greatmats Removable Stage Series is a flexible sewn product. Designed to size, with an attachment method of 2" sewn loop to YKK mounted PowerRail. This style pad is a 2" Impact rated polyethylene foam cut with 45° angles on the face and top edge, when folded creating 90° angles and sewn into an 18oz. PVC Coated vinyl.

Components

Foam Layer - 2" polyethylene foam meets standards for ASTM 2440. The test method quantifies impact in terms of g-max and Head Injury Criterion (HIC) scores. Promotes closed-loop recycling of post-industrial scrap. Contains at least 60% and up to 100% recycled pre-consumer raw material. The use of pre-consumer recycled material can contribute to LEED® certification points.

Covering - 18.5 oz. coated smooth matte vinyl. BACshield: Anti-Mildew, Anti-Fungus, Antimicrobial, Antibacterial treated, UV treated. Passes NFPA-701, CSFM-19, and ASTM E-84 Class A fire retardant compliant
